## United States Forest Service Campgrounds

The Fraser River Valley Lions Club (FRVLC) manages and operates the Midland, Idlewild, Robbers Roost and St. Louis Campgrounds by permission and under a special use permit issued by the USFS. All income earned from operations of these campgrounds are donated to local Grand County non-profit organizations. The FRVLC and the Grand County Community thank the USFS for their support of these charitable organizations.

**September 9** LaSportiva Snow Mountain Ranch Trail 10k

**September 13** Colorado Dirt bicycle race

**September 21** Closing day at Winter Park Resort

*We serve your community!*

# Robbers Roost Campground

Robbers Roost is a camera ready campground located just off the Grand County side of Berthoud Pass on the east side of the Fraser River. The campground is bordered by the Fraser River with several camp sites positioned adjacent to the river. Robbers Roost is forested by "old growth" blue spruce and has just eleven campsites with one toilet and a trash

dumpster, but without potable water, which is available at the nearby Idlewild Campground. Electricity and sewer hook-ups are not available. Call 970-726-0889 to check for campsite availability.

# Idlewild Campground

Campers will find the Idlewild campground on the east side of Highway 40 just south of the Town of Winter Park. Idlewild borders the Fraser River and boasts some of the most picturesque

riverside campsites in Colorado. Idlewild is unique because it is split by the Fraser River Trail, a paved bicycle and strolling path that provides easy access to both the Town of Winter Park and the recreational area at the base of the Winter Park Ski Resort. There are 26 campsites with water, three toilets and trash dumpsters on site. This is a beautifully forested campground which puts campers in the center of summer activities in the Winter Park area. Electricity and sewer hook-ups are not available. Call 970-726-0889 to check availability.

# Midland Campground

Midland campground can be reserved for private camping groups or for special occasions. Midland is located on

the east side of U.S. 40, six miles south of the Town of Winter Park. Midland is a very quiet campground positioned near the banks of the Fraser River. It is a park-like setting with room for ten campsites. Parking is limited to ten vehicles. This is the perfect spot for a family camping occasion. Midland is serviced by a portable toilet and does not have potable water. Reservations can be made through the Idlewild hosts at 970-726-0889. The camping fee is \$100 per night for this very private camping experience.

## St. Louis Creek Campground

St. Louis Creek campground had the misfortune of being in the middle of a lodgepole pine forest, and thus was blighted by the recent Pine Beetle infestation and as a result had to be clear cut. On the positive side, the clear cutting revealed a magnificent view of nearby Byers Peak, which now looms over the campground. As its name implies, the campground borders St. Louis Creek, which provides excellent Brookie and Rainbow trout fishing. And, if you're a mountain bicyclist, St. Louis campground puts you at the beginning of both the "Flume" and "Chainsaw" loop bicycle trails.

The campground is located on the east side of CR 73, four miles southwest of the town of Fraser. It offers 17 campsites, two toilets, two trash dumpsters, and two water pumps. There is neither electricity nor sewer hookup. To find St. Louis Campground, turn west at the traffic light by Safeway in Fraser, proceed on CR 72, pass under the railroad overpass and turn right onto the Fraser Parkway, then turn left onto CR 73. Follow CR 73 to the turnoff on your left at the sign indicating St. Louis Campground. Please call 970-726-4330 for availability.

## Town of Winter Park

The Fraser River Valley Lions Club manages and operates the Sitzmark campground by permission and under a special use permit issued by the Town of Winter Park. All income earned from the operation of Sitzmark is donated to local Grand County non-profit organizations. The FRVLC and the Grand County community thank the Town of Winter Park for their support of these charitable organizations.

## Sitzmark Campground

Sitzmark campground is located on the East side of Highway US 40 at the north entrance to the town of Winter Park, directly across from the Grand Park Fraser Valley Community Recreation Center. Sitzmark has eight individual campsites each with their own firepits, and two separate RV parking spaces. It has one toilet and dumpster. Sitzmark is the perfect place for campers who wish to be close to all of the summer concerts, festivals and art affairs hosted by the Town of Winter Park. Campground fees are \$16 per night and campsites are assigned on a first come, first served basis. Electricity and sewer hook-ups are not available. Call 970-726-4330 to check for availability.

## Byers Peak Campground

Closed for the 2014 camping season due to damage from hazard trees.

## Campground Fees

The nightly campground fees for Idlewild, Sitzmark, St. Louis Creek and Robbers Roost are \$16 per night with a limit of two vehicles per campsite. Robbers Roost campground does not have potable water. Please check in with the campground hosts located at the entrance of Idlewild and St. Louis to pay the fee and receive campsite assignments. The St. Louis hosts will visit Sitzmark daily to collect campground fees.

## Firewood

Dried and split firewood is available from the campground hosts for \$5 a bundle. Feel free to use the small sticks and slash residue as kindling for your campfire. Please DO NOT use the larger recently cut logs as they are green, too large for the legal fire pits and present a fire hazard. Thank you for your cooperation.

## Pets

Pets are welcome at all campgrounds and the picnic site, but for their safety and in respect for others, must be kept on a leash.

### "We Serve"

The Fraser River Valley Lions Club is a service organization that gives 100% of the money we raise back to the community. All our officers, committee members and general membership are unpaid volunteers. We raise money by our activities including pancake breakfasts, managing the local Forest Service campgrounds and other work, rather than asking for contributions.

The Club is not political, religious or oriented to business; we're simply dedicated to helping our community. Our local club has over 100 men and women dedicated to serving our community. The Fraser River Valley Lions Club is the local branch of the world's largest service organization, Lions Clubs International, which has 1.35 million members in over 200 countries.
